Downtown (St. Albert), St. Albert, AB

This big red brick building with a beautiful courtyard is right in the heart of downtown. It is an iconic building in St. Albert that offers the best of everything. You have not only the Public Library outside your door but you have access to the entire St. Albert Red Willow trail system. And during the summer support locals by getting everything you need at the famous St. Albert Farmer's Market. If that is not enough the whole apartment has been fully updated. Huge windows overlooking downtown let in a ton of natural light throughout the living room and kitchen, and stay cozy by the fire in winter. A perfect den/office space compliments the main living space. The primary suite offers plenty of privacy and a large full bath with gorgeous walk-in shower. Enjoy your morning coffee or evening wine on the private tree lined balcony. Completing this lovely home is an additional full bathroom with standing tub and full laundry room. Plus tons of storage and underground parking. These gems don't come up often!
